

Changes in Committee Return File Action

https://mksy.up.gov.in/women_welfare/index.php

At DPO login Committee Return File Action tab there have been some changes. Now you don't have to upload complete beneficiary list after approval by committee. Now only committee acknowledgement is to be uploaded with the details of those application which are rejected by committee. List of beneficiaries should be kept in DPO office for records. Change in process flow is as under:-

After Submit on submit , you will get the screen as given below image:-

By clicking number 1 you will get the complete list of applicant which is to be put before committee member for approval/ rejection.

Stage 2 - The girl child who has received full immunization and is not born before 01/04/2018

 Signature of Committee Members
 (समिति के सदस्यों के द्वारा)

You can see button is given in above image to print committee acknowledgement, you may print by clicking this tab.

Applicant List will be put up before the committee members for their consideration. After consideration if committee will find some application worthy of rejection then the details of such applicant will be filled in committee acknowledgement format and acknowledgement will be signed by committee member. Signed committee acknowledgement will be uploaded on the portal. If no application is rejected by committee then also sign committee acknowledgement will be uploaded mentioning that there is no rejection.

In District Level Committee Return File only committee acknowledgement format needs to be upload. From now on there is no need to upload all list of application. Hard copy of both application list and signed committee acknowledgement must be kept in DPO office for record.

THANK YOU
